

RLF BENTLEYS

KINGS PARK ROAD, WEST PERTH

TROJAN HORSE
INTERIORS

SIMPLE SOLUTIONS
for
COMMERCIAL
SPACES

"When the decision was made to expand into an adjoining space, the new area was integrated into the present tenancy via the refurbishment of useful existing items and the creation of new linking elements.

The installation of modular carpet tiles throughout the entire area created uniformity, enabling a fresh, modern environment to be created at minimal cost.

A monochromatic application of the existing corporate identity over blonde timbers, white stone and crisp white walls has completed a clean modern aesthetic throughout."

Phillip Rix, Managing Director
