TROJAN HORSE INTERIORS

SIMPLE SOLUTIONS
for
COMMERCIAL SPACES

"The team at Trojan Horse Interiors embraced the challenges of being both client, as well as designer / project manager, creating a tenancy that showcases the services we provide.

Through applying exactly the same systems and processes that we utilise on our client projects, the team have created a relaxed, yet professional, working environment incorporating efficient, flexible space planning and subtle, sophisticated finishes.

The new offices are a welcome reward for a group of professionals who spend their time creating outstanding commercial interiors for others."
